

CMS Travel Scholarship for CMS graduates

Webster O'Brien was a beloved member of our community. He is the father of a CMS alum and husband of a former CMS teacher and served as chairman of the board for four years. Webster believed strongly in Montessori education and our school would not be what it is today without his leadership and guiding hand. He was also instrumental in developing the athletics program, and so the 5k was started as a way to honor Webster and build on his legacy. A travel stipend will be given to a CMS alum that has graduated from our middle school program.

ELIGIBILITY

Applicants must be graduates of the Cambridge Montessori School (CMS) Middle School.

FORMS AND REQUIREMENTS

Completed application and questionnaire due by May 12, 2023. Travel must be completed by December 31, 2023. Following travel, the scholarship winner must submit a 250-word summary of the experiences including a travel log. Fulfillment of post-travel criteria is required no later than 3 months following travel.
