

PASSPORT 2023 - 2024 @ CMS

The 2023-2024 school year is fast approaching and we understand how important it is to plan ahead! Please see the chart below for Registration dates at each program level and season for the 2023 - 2024 academic school year. The tuitions for each program can be found on the next two pages.

Refunds will not be offered under any circumstance (including absence, illness, or change of heart), unless the program is cancelled in its entirety. Clubs that don't meet the minimum enrolment will be fully refunded.

A 10% sibling discount will be applied. If siblings have differing fees, discounts are applied to the lower fees.

The Passport program at CMS encompasses the auxiliary programs that occur outside of the academic day for Toddler, Primary, Lower and Upper Elementary, and Middle School students. What we offer:

- **Extended Day Care & Clubs:** During the academic year Passport provides extended day care and additional educational opportunities after school for CMS students at all levels.
- **Vacation Camps:** For December, February and April school breaks we offer Vacation Camps from 9am - 4pm daily. These are available for Toddler through Elementary students. At the Elementary level, we welcome students from other schools in Cambridge as well!
- **Fun Days:** When school is closed for Parent Conferences or Professional Development, care is offered from 9am - 4pm with planned activities.
- **Passport Summer Camp:** We offer an 8-week day camp that caters to the greater Cambridge community for children between the ages of 18months and 11years. Camp typically runs from the last week of June, through the second week of August. Please click [here](#) to see our 2023 Camp Preview. You can register your child [here](#)!
